

HEATHFIELD KNOLL SCHOOL

and First Steps Day Nursery

HKS Pre-School Curriculum.

The Pre-School caters for children from 3 1/2 years of age to rising 5's..It is a self contained unit with its own play area and is run by well qualified, experienced staff. The foundations of literacy and numeracy are established at this stage, we foster learning through appropriate activities. We feel that children should enjoy their days at Pre-School while being stimulated to develop their academic skills. Pre-School are very much part of the main School and interact with First Steps as well as Reception and Lower School, this often helps with the transition to the main School. A huge part of the children's day is social interaction and learning via play.

Your child will thrive in the warm and friendly atmosphere and parents can be confident in the knowledge that their children are in a safe caring environment. Our intention is to encourage children to experience a wide variety of activities to stimulate their thinking and awake a curiosity and understanding of the world.

The children are able to enjoy the extensive grounds of the school. Groups are small usually around 8 to 10 children in order to ensure they receive individual attention.

Heathfield Knoll School are passionate about creative arts and Pre-School have access to: music, drama , forest school and art. Early years music and movement activities provide a sound base for the further development of Physical Education.

The best way to find out about HKS Pre-School is to come and visit us! Book a tour today,
