Full Day 2	7.30am—6pm	£29.00
Half Day	7.30am—1pm	£19.00

Before school care here at HKS includes a popular breakfast club, this starts from 7:30am and pupils are taken to their classrooms for 8.30am. Before school care is run by two qualified and experienced members of staff from HKS Early Years and/or Lower School, this allows for a continuity of care. Children can choose between toast and cereal for breakfast and are encouraged to sit and eat together, reaffirming structure and table manners. Children can then play and mix with fellow HKS pupils before the start of the school day.

After school care begins from 3:30pm, for the end of the Rec-Year 2 school day, and finishes at 6pm. Pupils enjoy a light tea at 4.15pm, this is always prepared by our on sight catering team and has been made to ensure healthy eating. After school care has a planned activity every evening, children have made poppies for remembrance day, they have had a knights and princess evening and cooked their favourite meals in the home corner. Children are also free to choose what they want to play with and are encouraged to play together. During the summer months children play outside using our extensive grounds and outdoor play equipment. The pupils love to play hide and seek, play on the adventure playground and run off some steam before heading home.

HKS Holiday Club is open from 7:30am-6:00pm during school holidays. Children bring in a packed lunch and enjoy a light tea at around 4.15pm. Every day is a different theme or activity depending on the time of year. Pupils have been visited by West Mercia police and able to sit in a real police car, a guide dog came into school and they were able to understand why they are vital in helping those with visual impairment and that doesn't include all the wonderful trips out; including the Safari park, Lazer tag and the cinema to name a few. They really do fill their days with as much as possible.

We offer care for our pupils 50 weeks of the year.
