

HEATHFIELD KNOLL SCHOOL and First Steps Day Nursery

First Steps Day Nursery

First Steps Day Nursery.

First Steps Day Nursery is nestled within the spacious grounds of Heathfield Knoll School; the unit caters for children from the age of 3 months to 3 1/2 years and has been carefully designed to meet the needs of babies and young children.

Qualified and experienced staff are available to discuss your child's development, a key worker system is used: each member of staff is responsible for certain children daily. This enables the child to relate to one staff member.

Small groups enable staff to care for children as well as giving you time to catch up on the day's events at pick up time. Your child will thrive in the warm and friendly atmosphere and parents can be confident in the knowledge that their children are in a safe, caring environment.

Owl Room

The Owl room is where babies and children aged from 3 months olds to 2 years of age are cared for. We have specialised staff working and you can be assured that your children are looked after by knowledgeable professionals.

There is always something fun to do whether it is painting, sensory fun or exploring the outside play area, when the sun is out the paddling pool makes an appearance too! There is never a dull moment in the Owl room and we make sure that there is plenty of learning through play.

Robin Room

The Robin room is where children aged 2 years—3 1/2 years of age discover the world of independent play. Whether they are enjoying the home corner or painting and drawing they are always exploring the stimulating environment around them. Your child will get to play with Pre-School and interact with the older children, this helps the inevitable transition into the main school. When it is time for the nappies to go we will help you potty train and support you and your child all the way through.
