Full Day 2	7:30am-6:00pm	£29.00
Half Day	7:30am-1:00pm	£19.00

Before School Care includes a popular breakfast club. This starts from 7:30am and pupils are taken to their classrooms for 8:30am. Before school care is run by qualified and experienced members of staff. Children have a choice of menu items and are encouraged to sit and eat together.

After School Care begins from 3:30pm, at the end of the Reception-Year 2 school day, and finishes at 6pm. Pupils enjoy a healthy light tea at 4:15pm; this is always prepared to order onsite. After School Care has a planned and structured activity every evening, for example children enjoyed a knights and princesses evening and cooked their favourite meals in the home corner. Children are also free to choose what they want to play with and are encouraged to play together. During the summer months children play outside using our extensive grounds and outdoor play equipment.

Holiday Club is open from 7:30am-6:00pm during school holidays. Children bring in a packed lunch and a light tea is provided at around 4:15pm. Every day is a different theme or activity, depending on the time of year. For example, previous days have been led by West Mercia Police and RNIB. There are wonderful trips out such as the Safari Park, Lazer Tag and the cinema. They really do fill their days with as much as possible.

We offer wrap around and full-time care for our pupils 50 weeks of the year.
