5th January 2021

Dear Parents,

In light of the announcement of yesterday evening, we are currently planning for the return to on-line learning for the main school from 6th January.

Parents of children from Years 7-11 are already expecting remote learning to take place from 8.40am on Wednesday 6th January. Parents who are key workers and/or have vulnerable children have completed a survey indicating if they have a preference for face to face learning in school. These children who will be in school will be offered a lateral flow test as stated in the letter dated 4th January. Consent forms should be completed and returned to school.

Parents of children from Reception to Year 6, including Connect, are now asked to follow the same process. Please use this survey link (<https://forms.gle/XRwYaZnEGjiDkjre7>) should you require provision of learning in school. Should this not be the case then your son/daughter will be taught remotely from 8.40am on Wednesday 6th January.

Parents of children in Nursery and Preschool are not affected by the recent changes and also are not required to take any further action at this time. Wraparound care will also remain open.

Further information will be shared in due course, including the opportunity to participate in a webinar at 7pm this evening.

Kind regards,

Lawrence Collins
