# WELCOME

Choosing the right school for your son or daughter is an important and, at times, difficult decision. So many schools seemingly have a similar offer, how do you make that all important and informed choice? When I meet prospective parents I sometimes refer to the 'Goldilocks Test' – does Heathfield Knoll School feel just right? Of course, academic excellence, nurturing pastoral care and a fulfilling enrichment programme should be taken as read.

What makes HKS unique is the focus on relationships and the time invested in understanding the needs of each individual. We believe pupils learn, play and interact when their happiness is placed at the forefront of all that we do. Fostering happiness involves embracing all aspects of a child's development, listening to their concerns and responding to needs as appropriate. I invite you to visit HKS to see pupil happiness and outstanding pupil outcomes first hand. You will not be disappointed.

Lawrence Collins,  
Headmaster

# HOW SCHOLARS CONTRIBUTE TO SCHOOL LIFE?

HKS is a small independent school with a family feel. All pupils are a big part of school life and contribute in their own way. Pupils who are scholars are:

- Enrolled with the more able, gifted and talented programme;
- Ambassadors for the school, inspire and lead others;
- Access an enhanced curriculum, including specific enrichment and co-curricular opportunities.

## HOW TO APPLY FOR A SCHOLARSHIP?

In the first instance, we invite you to visit the school and to see if it is a 'good fit'; where this is not possible, we welcome a phone conversation. To apply, the Scholarship Application Form should be completed and returned to [admissions@hkschool.org.uk](mailto:admissions@hkschool.org.uk) no later than Wednesday 13th January. An editable version of the application form is available on request.

Applicants for scholarships need to demonstrate aptitude in their chosen discipline or subject. This may be through the submission of a portfolio of evidence and/or through an assessment process in school. Details of the assessment day will be shared in the invitation letter (to be received no later than 20th January). However we wish to encourage pupils who demonstrate passion, potential and raw talent. Consequently, exam results alone do not guarantee a successful application.

APPLICATION DEADLINE	Wednesday 13th January 2021
LETTER OF INVITATION	Wednesday 20th January 2021
ASSESSMENTS	These will take place in school Monday 25th through to Friday 29th January 2021
