

Connect pupils may choose from the 'formal' uniform or the HKS-branded PE kit as a daily uniform; the PE kit uniform option is a popular choice, as this helps to support sensory and physical needs. General uniform expectations are listed below, followed by 'formal' & PE uniform lists for each age group. Please do get in touch if you have any queries regarding uniform, including any SEND adaptations you wish to discuss. Thank you for your support with our uniform policy.
