General expectations	
Hair	• Neat and tidy - hair that is long enough should be tied back completely. • No hair on face (tie top back or use grips/plain band to keep hair off face). • All hair bands/clips should be discreet/in school colours (navy or black). • Natural in colour • No extensions. • Short shaved hair must not include patterns, lines or prominent shaved sections. • No extreme haircuts/styles • Pupils should be clean-shaven.
Nails	• Short, clean and tidy. • No nail polish or nail extensions.
Makeup	• No make-up - concealer is permitted to cover skin conditions. • No fake tan. • No lash extensions.
Jewellery	• A single small, plain gold/silver stud may be worn in the lobe of each ear. • No other visible piercings are permissible in school. • Tattoos or other body art is not permissible. • Studs must be removed for PE lessons (please ensure that children can do this independently and that new piercings are only undertaken at the start of the summer holidays) • If other jewellery is required for cultural or religious reasons, please discuss this with us so we are aware.
Skirt/skort length/ PE Leggings	• Skirts should be knee-length. • Skorts need to be of an appropriate length for both modesty and sporting suitability (navy cycling shorts may be worn underneath). • When a sports kit is worn outside of PE lessons, leggings or tracksuit bottoms must be worn.
